

Order Below Exhibit 35 in R.C.S. 18/2013

Perused the application and record, heard both sides. The plaintiff had filed the present suit for injunction restraining the defendant from carrying out the construction of wall compound. It is alleged that the defendant has completed the said construction to the extent specified in the application during the pendency of the suit and her appearance before the court. The said fact also forms part of the defence of the defendant, regarding the completion of the wall compound, hence the plaintiff is intending to amend his plant to incorporate the extent of construction and praying ancillary reliefs thereof. The proposed amendment seems to be necessary for the complete adjudication of the matter as the proposed amendment is contended to have arised after the filing of the suit, in result the application deserves to be allowed. Hence following order:

ORDER

- i. The application is allowed.
- ii. The plaintiff is permitted the carry out the requisite amendment as prayed within prescribed time limit.
