

RCS No. 20/2016
Parshuram V/s. Waman

ORDER BELOW EXH. 40

Perused the application and say. Heard both the sides. Admittedly, plaintiff no. 15 is died on 03-09-2017 leaving behind him the proposed legal heirs. As the right to sue survives through the legal heirs of deceased, the proposed legal heirs will have to be brought on record in order to decide the matter on merit. Hence, I hold that the proposed legal heirs are required to be brought on record for resolving the real controversy between the parties. Hence, I pass the following order.

ORDER

- 1] The application (Exh. 40) is allowed permitting the plaintiffs to bring on record the proposed legal heirs of deceased plaintiff no. 15.
- 2] The plaintiffs to carry out the amendment accordingly.
