

ORDER BELOW EXH. 1 IN S.C.C. No. 18846/2022

This is a case registered on the basis of the final report forwarded under section 173 of the Code of Criminal Procedure, 1973 for the offences punishable under section **7(2), 20(2) of Cigarette and Tobacco Products Rules 2003**. The record and Roznama show that despite all possible modes of process are opted by the Court and prosecution to secure presence of the accused in this case, however that turned in vain. Since, today we have undertaken a Special Drive, this case is taken for consideration. The record is self speaking that since filing charge-sheet the accused is absent in the proceeding. There is no possibility in near future remained of securing presence of accused. The case is of **2022** and more than **1** years old. Since filing, this case is pending on same stage without progress therein and it has become stale and ineffective. Such cases can be kept idle for years together. Thus I found this case fit wherein a recourse of section 258 of the Code of Criminal Procedure, 1973 can be taken. Hence, following order.
