

Order below Exh. 1 in
Criminal Appeal No. 2/2023

The report Exh 7 shows that the summons of this appeal was served on the opponent No. 4 Yashwant Ganu Tawade. It was a common summons for all the opponents, since all the opponents were shown to be residing at one village. However, it is not clear from the title clause whether all the opponents are residing together in one house.

2] Under such circumstances, it cannot be presumed that all the opponents have been duly served. Hence, Mr Naik is directed to do the needful to show whether such kind of service can be treated as proper service.

3] Matter is kept for this compliance on 11.03.2026. Preferably, once the compliance is done, the judgement shall be passed on the same day, in view of order of the Hon'ble High Court dated 20.02.2026. Hence, this order.
