(Passed on 11/03/2026)

Present Private filed under Section 499, 500 and 501(b) of I.P.C. On perusal of record it appears that, since 2022 case is pending for evidence. The complainant usually remained absent and failed to take necessary steps to proceed further with the matter. Time to time matter was kept in Lok Adalat on the request of the complainant. Every time complainant remained absent in Lok Adalat. Present case is pending since 2021. In spite of sufficient time granted to the complainant he failed to adduce his evidence. No purpose would be served by keeping the matter pending on same stage for years. It appears that, complainant is no more interested in the present matter. Hence, I proceed to pass the following order.
