

CNR No. MHSI070000612015
Order passed below Exh. No. 102
in R.C.S. No. 14/2015

The present application has been filed by plaintiff seeking permission to produce documents on record. It is contended that the documents sought to be produced are 7/12 extracts, mutation entry, Gatbook map and assessment list extracts. The plaintiff has prayed to allow the application.

2. The said application is resisted by the defendants by filing a reply on the overleaf of the application itself. It is contended that the application is false and frivolous. The said documents can not be produced at this stage. The stage of production of documents is over. Hence, prayed to reject the application.

3. I have heard both the sides and perused the record. The proposed documents are 7/12 extract, mutation entry, Gatbook map and assessment list extracts. These documents are public documents. The said documents would assist the Court in adjudicating the matter on merits. No prejudice will be caused to the defendants if the plaintiff is permitted to produce the proposed documents on record. Therefore, application deserves to be allowed. Hence, following order.

	<u>ORDER</u>
1.	The application at Exh. 102 is allowed.
2.	The plaintiff is permitted to produce the documents on record.
