M/S ASIRBAAD MICRO FINANCE LTD Vs State of Punjab

Present: None for complainant.

Case called several times during different intervals of the day but neither complainant nor any complainant evidence nor anyone on behalf of complainant has appeared. Perusal of the file shows that the present case is a four year old case and is lingering on complainant evidence (preliminary evidence) as well as for providing correct address of witnesses No.2 to 7 by complainant and despite giving numerous opportunities the same has not yet been provided. Further wait is not justified. As such the present case is hereby ***dismissed in default for non-prosecution***. File be consigned to Judicial Record Room, Garhshankar after due compliance.
