At: 12.30PM.

Present : None for the complainant.

No protest petition has been filed by the complainant despite repeated summons.

Further none has appeared on behalf of the complainant.

In the given circumstances, it appears that the complainant is not interested in filing of any protest petition and has no objection to the cancellation report.

From the perusal of the statement of the eyewitness, it is apparent that the injuries to the deceased resulted due to an accident not attributed to any other person.

Accordingly, the cancellation report is accepted. Original file be sent to concerned PS.

File be consigned to record room.
