Order Below Exh. 70 in R.C.S. No. 253/2018
(passed on 10.10.2025)

01. Perused the application and say. Heard the learned advocate for the respective parties. Perused the order passed below Exh. 55 dated 08/08/2024.

02. Vide present application the applicant/original defendant have prayed to review the order passed under Exh. 55 which was under Order 7 Rule 11 of the Code of Civil Procedure. The applicant has stated that the Exh. 55 was decided without referring the documents which are on record filed by the defendant and it was not considered. Hence, the applicant has prayed to review the order and set aside the previous order passed at Exh. 55.

03. The opponent/original plaintiff has strongly objected the present application stating that, present review application is not tenable as it is not filed by following procedure.

04. Upon perusal of the record and upon perusal of the order at Exh. 55 which is a detail order passed by my learned predecessor and from the order it is also seen that, this court has referred the documents which were filed on record and after due perusal only it was found that the application under Order 7 Rule

11 of the CPC was a mixed question of law and facts which requires a thorough adjudication. No grounds appear to review or to modify the order. There is no discovery of new an important matter or any other thing which was left out by mistake or there is not seen any error apparent on the face of record. Hence, present application is not tenable, hence liable to be rejected.
