ORDER BELOW EXH.266 IN RCS No.202/2019

The defendant has submitted pursis Exh.266 that correction is necessary on page No.5, 2nd para relating to the gat number and in page No.6 at line No.9 by mistake it is typed as 639/ 64. In fact it is survey No.639/4. In the page No.5 of the deposition, it is written as 2029 but in fact its number is 2049. By same way inspite of 668 it is required 638. By same way in deposition at page No.6 it is wrongly mentioned 639/64 but in fact it is 639/4. According to submissions of learned advocate of defendants this correction is necessary. On the other hand, learned advocate of plaintiff has no objection and submitted orally accordingly. Considering the pursis and submission on both sides at foot of deposition of witness a correction is required to be written.
