**ORDER BELOW EXH.NO.1**

The application is five years old. This is an application for restoration of Rcs No. 795/20025. On perusal of record it appears that, since long the application is pending for steps. On 13.02.2026 passed an order and application kept for dismissal order. But since long the application is pending without any progress and unattended. It appears that, since 2017 the application is pending for dismissal order. Today also when called repeatedly at 05.00 p.m. none appeared for the applicant. It appears that, the applicant has lost his interests to proceed with the suit. In such circumstance no purpose would be served by keeping pending the application further for unending period without any progress. Hence, I pass following order:
