01. This is an application filed by the plaintiffs for permission to file the document of power of attorney.
02. Read the application. Perused say of the defendants.
03. It is the contention of the plaintiff that the power of attorney has been executed in favour of his father, therefore prayed for accepting the same.
04. Learned Advocate of defendant filed his say below the application and contended that the matter is pending for hearing and this application is filed after delay. The plaintiff is trying to lead the evidence through his father by filing the present application. Hence, prayed for rejection of the application.
05. Heard Ld. Advocate for the plaintiff. He argued that the plaintiff has executed power of attorney in favour of his father, therefore he wants to lead evidence through his power of attorney holder. Hence, prayed for permission to file the document of power of attorney and also prayed to lead the evidence for plaintiff through his power of attorney holder. Learned Advocate of defendant argued that the application is not maintainable and plaintiff to not lead the evidence through

power of attorney holder. Hence, prayed for rejection of the application.

06. Perused the record. It appears that the plaintiff No.1 Gunwant Hanumant Khote has executed the power of attorney in favour of his father Hanumant Bhagwan Khote regarding the present suit. Considering the fact, the power of attorney is father of plaintiff No.1 and as per his contention his has all knowledge about the proceeding. Hence, it is necessary to give permission to file the power of attorney holder and lead evidence through him. Hence, in the light of above discussion, I proceed to pass following order;
