

ORDER BELOW EXH. NO. 17 IN R.C.S. NO. 286/2014

Perused the application and reply. The defendant wants to produce some material documents. He submitted that the documents are as to his pleading and prayed for allowing production. The plaintiff objected stating that at this stage such document cannot be produced. He prayed for rejection of application. The record shows that this application was made on 11/01/2018 and the documents were on record prior to evidence of the plaintiff. Hence, it cannot be said that the documents are surprisingly produced. The plaintiff was aware about the document. Hence, it is necessary to allow production for deciding real issue between the parties. Hence, production is allowed.
