**Order below application at Exh. 30**

Perused application and say. Appellant has produced various documents i.e. written note of arguments, additional affidavit, order of Deputy Director of Education, copy of writ petition No.8818/2017 and government resolution etc. and stated that these documents are important to decide the appeal on merits. Other side has objected for production of documents filed by appellant. Considering the nature of dispute, the documents are necessary to decide the appeal. No prejudice would cause to the respondents if the document are taken on record. Respondent is having right to counter the documents. Hence, production of document is allowed.
