School and others.

Read application and additional affidavit of respondent no.1 and 2. As per compromise pursis, pay bill for grant of back wages has been submitted to Education Officer long back. Even it appears respondent wanted to submit reminder but Education Officer has not accepted the same. Therefore, it is necessary to direct Education Officer to take decision on the pay bill submitted in respect of back wages and informed this office along with his explanation why such inordinate delay is being made? And why he should not be proceeded for delay being caused in responding the Court of orders, which is amounting to dilatorily tactics? R/o - 18/02/2026.
