**ORDER BELOW EXH.35 IN M.A.C.P. NO.83/2019
(Ranjana Hirave & Ors. Vs. Premjit Gade & ors.)**

In the instant petition, the claimants prayed permission to produce the documents.

02. Mr.H.V. Veer, the Ld. Counsel for the claimants submitted that the witness be allowed to produce the documents. He contends that the said documents are very relevant for the purpose of trial.

03. Per contra, Mr. S.B. Govekar, the learned Counsel for the respondents submitted that claimants cannot produce the zerox copies of public documents. Such documents are not admissible in evidence. Hence, he prayed to dismiss the application.

04. It is important to note that this Court is not dealing with the issue of admissibility of document. At this stage, Tribunal has to see whether claimants have right to produce the document. Claimants want to produce the documents in order to support the pleading of claimants. Whether documents by way of secondary evidence are not admissible or not ? it will be decided at the time of evidence. The documents are relevant. Hence, I think it proper to allow the application.

05. Accordingly, application is allowed. Claimants are permitted to produce the documents.
