

ORDER BELOW EXH.22

Perused application. Heard learned advocates. It is contended that, on last date applicant had moved application Exh.20 for allowing them to carry out amendment as allowed by my learned predecessor in office by passing order below Exh. 11. Which was allowed by this Court. However, order passed below Exh. 20 was subject to cost of Rs.500/-. It is contended that the Applicants are farmers and their family member are depending upon the income which they are getting from agricultural land. The respondent have acquired that land for construction of pond. Therefore, now the applicants are landless. Therefore, it is difficult to for them to deposit the amount as ordered by the Court. Hence, they prayed for showing leniency and reviewing in the order passed below Exh. 20. The respondent has resisted the application and submitted to the order of the Court. Further prayed for rejection of the application. Admittedly, present application is a land reference and Government has acquired lands of the applicants. Still they have not received amount of compensation so considering the factual position, order below Exh. 20 is required to be reviewed. Hence, in view of this discussion I pass following order.

ORDER

1. Order passed below Exh. 20 is hereby reviewed and order below Exh. 20 is hereby replaced as under.
2. The application (Exh.20) is hereby allowed subject to costs of Rs.200/-.
3. The applicants are directed to carry out necessary amendment forthwith and submit amended copy.
