

Complaint Case No. 394 of 2026

**Order dated:
30.04.2026**

Report received from O/C **KULTI PS.**

Perused the enquiry report and also the instant complaint. It appears that in respect of the same incident two other cases have been pending against the same accused. Implicating any person in connection with offence in the same transaction is not justified. So I am not inclined to proceed with this case.

The complaint case is hereby dropped and disposed off.
