3. Per contra, notice given to respondent/prosecution, the Circle Inspector of Police, Ramayampet Circle filed their counter through Special Public Prosecutor by mentioning the remand case dairy dated 18.07.2026 contents and also mentioned that petitioner/ accused is not entitled for grant of bail on the following grounds. By mentioned reply to para **a to i** and further contended that it is an established fact that a crime though committed against an individual, in all cases it does not retain an individual character. It, on occasions and in certain offences, accentuates and causes harm to the society. The victim may be an individual, but in the ultimate eventuate, it is the society which is the victim. A crime, as is understood, creates a dent in the law and order situation. In a civilized society, a crime disturbs orderliness. It affects the peaceful life of the society. Hence the petitioner person cannot be dealt with leniently. Other grounds will be urged at the time of hearing of the bail petition.
