

Spl.C.No.05/2026
CNRNo.MHWR010001302026

ORDER BELOW EXH.1

(Passed on 18.03.2026)

1] The victim is present before the court. Another lady namely Smt. Madhuri Ramdas Thool is also present before the court. When the court made an inquiry with her, only at that time, she reported to the court that she is appointed as a support person for the victim by CWC, Wardha.

2] I have gone through the record. There is nothing to the record anything about intimation to the court about the appointment of support person to the victim, since from the date of registration of FIR and after filing of charge-sheet. Though, the reply below Exh.30 i.e. reply to the bail application is filed. It is only with the signature of victim. It is unclear whether any assistance/guidance was given by the support person to the victim. Even though, it is reported on inquiry with reply below Exh.30 is in the handwritten of the supported person, but she did not even sign or make an endorsement on Exh.30 to reflect the same.

3] It is prima-facie indicating that there is absolutely no support by the support person or disclosure of her activities as support person by her to the court. It is unfortunately noted that even the father of the victim girl though, there was attending the court, was standing in the corridor of the court and came before the court only called out. Now, the father of the victim girl is also present before the court. Hence, I proceed to pass the following order :

ORDER
