

**COMMON ORDER BELOW EXH.1 & EXH.61**

(Passed on 07.02.2026)

1] This is an application preferred by learned APP to file DNA analysis report on record. I have gone through the application. It is stated that at the time of filing charge-sheet, said DNA analysis report were not available. Therefore, it is being filed today.

2] I have gone through the letter through by investigation officer dated 24.12.2025. It is reflecting that some of the DNA analysis report were received on 08.04.2025. Similarly, some of the DNA analysis report were filed on various dates i.e. in the month of March and May 2025 and on 10.11.2025. It is to be noted that the bail application of few accused was decided by my learned Predecessor on 18.11.2025. It is unclear as to when DNA analysis report were forwarded by the RFSL, Nagpur to the concerned police station and when it was actually received by the concerned police station. It is still unclear as to why concerned police station did not forward the same to the court for last more than 3 months when bail applications were pending.

3] As the case may be, it is necessary for the investigation officer/ concerned police station to submit entire details of inward and outward register of the RFSL, Nagpur and to the concerned police station as to when DNA analysis report of crime no.124/2025 was dispatched by the concerned officer from the RFSL, Nagpur to the police station and when it was received by the police station. This report is necessary.

4] Apart from this aspect, the mobile observation panchanama of accused Shubham Ladake is at page no.130 and 131 having certain

references about video recording of the alleged act committed by the accused namely Akshay Parave, Pranay Bulbule and Shubham Ladake at the relevant time. It is unclear as to whether any analysis is being conducted by the RFSL, Nagpur in respect of said mobile which was dispatched to them on 18.02.2025. Investigating officer is further expected to submit the details of status of letter sent to the RFSL, Nagpur for the analysis of mobile phone and its contents as per letter issued on 18.02.2025. Therefore, I pass following order :

**ORDER**

- i] Issue letter to investigating officer to file details of entire correspondance of receipt of FSL, report from the office of RFSL, Nagpur to the office of SDPO and Investigation Officer.
- ii] Also call information about status of Scientific Report of mobile phone video analysis.
- iii] Till then the report submit by the prosecution filed at Sr.No.1 to 19 be taken on record. Its copy be given to all accused.

Place : Wardha.  
Date : 07.02.2026.
