

Order below Exh.18 in M.A.C.P No. 77/2023

1. The present application has been filed with a prayer for service of notice by an advertisement in news-paper.
2. It appears from the record that this Court has issued notices to respondent No.1 and 2 by RPAD, but they could not be served and returned back to this Court.
3. In my view, the summons/notices cannot be served in the ordinary way and it would be proper to serve the notices by an advertisement in news-paper. Therefore, I pass the following order.

Order

- 1] The application Exh.18 is allowed.
- 2] The advertisement for the service of notices be made in the daily news-paper circulating in the locality in which the respondents are last known to have actually resided or worked for gain.
- 3] The notices be given in the hands of applicant for its advertisement as prayed for.

Dt.: 29/11/2024.
