

**Order below Exh.14**

Appellants have filed this application, praying that they be permitted to produce on record the document filed by them along with list.

2. Respondents Nos.1 to 3 have filed their say on overleaf of this application. They have stated that the Court had only directed to supply the copy of notice dated 15.09.2023 as stated in order sheet. Other documents were not filed before the trial Court. The application is not in the prescribed form and the same is not supported with affidavit. Hence, prayed to reject the application.

3. Heard learned advocates for both sides. I have also gone through the record.

4. Upon perusal of the documents filed by appellants along with list, it appears that said document is certified copy of the measurement map, xerox copy of notice and office copy of notice issued to respondents. Therefore, in my considered view, if this application is allowed, no prejudice will be caused to respondents. In the result, I have no hesitation to hold that this application deserves to be allowed. Holding so, I proceed to pass the following order -

**Order**

1. Application is allowed and thereby, production of the document filed by appellants along with list is allowed.
2. No order as to costs.
3. Both parties to take note of this order.
