

:Order below Exh.9:

1 Perused application, say and record.
2 None present for applicants, when called out repeatedly.
Heard Ld. Advocate for appellants.
3 At the outset it appears that applicants respondent no.2 and
3 filed application for condonation of delay caused in filing cross
objection on record. It appears that applicants appeared in the matter
on 1.2.2002. However, till this date they failed to file cross objection.
However, considering the say and record in my view if applicants are
permitted to file the cross objection, then it would not cause prejudice to
the other side, but the matter would be decided on merits. Moreover,
appeal is pending in the Court. However, the applicants filed the
application at belatedly and therefore in my view it is necessary to
impose cost on them. Hence, in the interest of justice, I pass the
following order :-

ORDER

1 Application is allowed.
2 Delay of more than 10 years caused in filing the cross
objection is hereby condoned subject to cost of Rs. 2,000/-.
3 Applicants are directed to deposit the cost in the court on or
before 16.9.2017.
4 If applicants fail to deposit the cost in time, then application
shall stand rejected without reference to the court.
5 No further time will be granted as matter is very old.
6 After deposit of the cost, cross objection be taken on record.
