|-------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------|

Perused the record. It appears that, applicant has filed present application under Section 144 of Bhartiya Nagarik Suraksha Sanhita 2023 for maintenance. On perusal of record, it appears that applicant has not filed on record any document as to her marriage with non-applicant. Therefore, in absence of any document on record as to the marriage of applicant with non-applicant, the issue process order cannot be passed against non-applicant. Therefore, it is directed to the applicant to file on record documents as to marriage between applicant and non-applicant.
