[Passed on 03/09/2022]

The Judgment Debtor has filed affidavit in compliance of the order dated 22/08/2022. The learned counsel for the Decree Holder was requested to consider if he wants to controvert the finding and if can do so orally. Considering the facts are to be controverted, he relied on Para-5, he contended that it is vague statement. He also pointed out that the Land Acquisition Proceeding is also vaguely stated. In such circumstances Order-21, Rule-41 contemplates that considering the circumstances these aspects relates to facts, It is open to Decree Holder to counter the same if they so require or take further steps in the matter as per law.
