Devendra Vs. Kanchan

Order passed below Exh.14*(Passed on 15th November, 2025)*

- 1] The present application is filed by respondent seeking 30 days time for compliance of order.
- 2] The contention of the respondent is that vide order dated 20/09/2025 the court had passed order in regard to meeting of the child with her father i.e. applicant. Nevertheless in order to comply this order the child is required to travel from Pune to Yavatmal. The said travel is not only tiring but also inconvenient. Even the health of child is not fit. Instead she is suffering from vomiting and is unwell. Documents are filed in support thereof. Hence, application for relief laid above.
- 3] Gone through application. Heard both side. Considering that the time has already elapsed as prayed by the respondent side and no objection is evident to having been projected by the applicant side against the prayer the application stands disposed of accordingly.
