**ORDER PASSED BELOW EXHIBIT-1**

(Date: 04.07.2026)

It appears that while recording the evidence of PW 8 on 16/04/2025 some of the prosecution documents were marked at exhibit, but the exhibits number which were given not as per the sequence and the double exhibits number are given and this fact came to the knowledge while recording the evidence of I.O. Therefore, in order to rectify the said error by giving double exhibit number it is necessary to correct the record in the order sheet of dated 16/04/2025. Ex.P-23 to Ex.P-26 were given to the photographs of the accused. But later on while preparing the seizure panchnama of the clothes of the accused the said panchnama was again marked as Ex.24. In fact, it should be marked as Ex.27 or Ex.26A. So that the subsequent documents which were marked as Exhibit in the evidence of PW8 will not required to be changed and therefore, the panchnama regarding the seizure of clothes of the accused is re-numbered as Ex.P-26A/PW8 instead of Ex.P-24/PW8. The Bench Clerk is directed to correct the order sheet of 16/04/2025 on record accordingly.

2 The counsel for the accused Nos.1 and 2 Shri. R.K. Shaikh and counsel for accused Nos.3 and 4 Shri. Katkamwar present. Therefore, they are directed to take note of change in exhibits number.
