

**ORDER BELOW EXH.1**

This case instituted in the year 2000 and this is 18 years old matter and is pending for the appearance of accused since then. Accused No. 1 & 4 are residents of Sopat, P.S. Fulgaon, Dist. Anantnag (Kashmir). Accused No. 2 & 3 are resident of Zungalmora, P.S. Fulgaon, Dist. Anangnag (Kashmir). Record reveals that, several times NBW were issued to accused, but returned unexecuted. Even proclamation as per section 82 of Cr.P.C. was also directed to be issued against them and information regarding their properties for issuing warrant as per section 83 of Cr.P.C. was also called. But in vain.

Despite that, presence of accused could not be procured. This is a proceeding pending since more than 18 years only due to the absence of accused. Considering the place of residence of accused and taking in view the several efforts taken to procure the presence of accused, there are reasons to believe that accused have absconded and there appear the least chances of securing their presence in near future.

Hence, this case be placed on Dormant file. Issue standing NBW against accused Nos. 1 to 4. Concerned clerk to take necessary entry in the Dormant File register and comply accordingly.
