

ORDER BELOW EXH.1

This case instituted in the year 2007 and this is 11 years old matter and is pending for the appearance of accused since then. Record reveals that, several times NBW were issued to accused, but returned unexecuted. The cash surety deposited by accused was also forfeited. Even proclamation as per section 82 of Cr.P.C. was also directed to be issued against him. But in vain.

Despite that, presence of accused could not be procured. This is a proceeding pending since more than 11 years only due to the absence of accused. Considering the place of residence of accused and taking in view the several efforts taken to procure the presence of accused, there are reasons to believe that accused has absconded and there appear the least chances of securing his presence in near future.

Hence, this case be placed on Dormant file. Issue standing NBW against accused. Concerned clerk to take necessary entry in the Dormant File register and comply accordingly.
