... Respondent

This Execution petition came up for final hearing before me on July 27, 2026 in the presence of Thiru. D. Sathish Shankar, Advocate for the Petitioner and Tmt. K.T. Kannikasankareswari, Advocate for the Respondent and upon perusing the entire case records and upon hearing the arguments, and having stood over till this day for consideration, this court passed the following:-

ORDER

The petitioner has filed this Execution Petition under Order XXI Rule 43 of the Code of Civil Procedure seeking attachment and sale of any one of the buses belonging to the respondent Corporation for enforcement of the order passed in C.P. No. 44 of 2023 dated 09.04.2025, wherein it was held that the

respondent Management is liable to pay a sum of Rs.35,417/- together with interest at the rate of 6% per annum from the date of filing of the Computation Petition till the date of realization. As the respondent Management has failed to pay the award amount, the present Execution Petition has been filed. The respondent Management filed a memo dated 22.06.2026 stating that, in principle, it had decided to comply with the order passed by this Court and that a Board Meeting was scheduled to be held on 23.06.2026. Though the said memo was recorded, the respondent has failed to comply with the order. Considering the facts and circumstances of the case, this Court is of the view that the Execution Petition deserves to be allowed. Accordingly, this Court holds that any one of the buses owned by the respondent Transport Corporation is liable to be attached for enforcement of the order passed in C.P. No. 44 of 2023.

3. In the result, EP stands allowed. Attachment is ordered as prayed for. Attach by 27.08.2026. Batta to be paid within 3 days.

(Dictated to the Steno-Typist, transcribed and computerized by her, corrected and pronounced by me on this, Monday, the 27th day of July 2026).
