குறுக்கு விசாரணை தொடர்ச்சி

I admit that, I didn't sign exhibit A1. Since, I was not present on that date, I didn't signed.

In Exhibit A1 no witnesses mentioned and signed therein. I admit that, I didn't see the defendant affixing signature in Exhibit A1. My father was present there. With regard to presence of my father as I told, I am not aware this was pleaded in the plaint. I deny that, the sale agreement was invented and concocted for the purpose of filing this suit. I deny that, the averments in the plaint and evidence are false. I strongly oppose that my suit as dismissed.
