

ORDER BELOW EX.28

The defendants filed this application for grant of permission to file written statement and reply.

2] Application is opposed by plaintiff.

3] The application is moved on the ground that the record was not available with the office of non applicant and, therefore, the defendants could not file written statement within the prescribed period. It appears that sufficient opportunities were granted to defendants but they did not file the written statement and reply. But, the interim relief was in force during that period. Hence, no prejudice is caused to plaintiff by not filing of written statement by defendants within the prescribed period. The reason for non filing of written statement within prescribed period appears to be proper. Hence, without written statement order passed against defendants is set aside. The written statement and reply of defendants are accepted.
