ORDER

1. This petition has been filed under Section 166 of the Motor Vehicles Act and Rule 3 of the Motor Vehicles Rules, seeking for compensation of Rs.8,00,000/- for the injuries sustained by the Petitioner in a motor accident.

2. The averments made in the petition are briefly as follows:-

(i) The case of the petitioner is that on 14.05.2017 at about 09.30 hrs, while the petitioner was riding his Motorcycle bearing Reg.No.TN 22-AT-2233 from Puzhal to Tambaram bypass road, near United Agencies Company, at that time one TATA ACE Van bearing Reg.No.TN 02-AV-5434 which belongs to the 1st respondent, driven by its driver in a rash and negligent manner and hit against the petitioner and thus caused the accident to the petitioner. As a result, the petitioner sustained grievous injuries as stated in Column No.11 of the petition. The accident was reported to T-12, Poonamallee Traffic Investigation Police Station, Chennai and the case was registered in Crime No.542/PH1/2017 U/s 279, 337 IPC. The accident occurred only due to the rash and negligent driving by the driver of the respondent's vehicle.

(ii) As mentioned in the petition, the petitioner was aged 53 years and he is a Supervisor at Private Company and earning Rs.15,000/- per month at the time of accident. Due to the injuries sustained by the petitioner, he is unable to do the activities as before the accident. The 1st respondent being the owner and 2nd respondent being the insurer of the vehicle viz., Van bearing Reg.No. TN 02-AV-5434 both are jointly and severally, vicariously and statutorily liable to pay compensation for a sum of Rs.8,00,000/- with interest along with cost. Hence this claim petition.

3. The averments made in the counter filed by the 2nd respondent are briefly as follows:-

(i) The 2nd respondent denies the age, occupation and income of the petitioner. Further denies that the accident occurred due to the negligence of the 1st respondent vehicle driver and denies the manner of accident.

(ii) Further denies that the driver of the 1st respondent's vehicle possessed valid

driving license and his vehicle was insured with this respondent at the time of accident.

(iii) This respondent submits that at the time of accident the petitioner was riding his Motorcycle in a rash and negligent manner and hit against the 1st respondent's Tata Ace van bearing Reg.No. TN 02-AV-5434 and thus invites the accident. The driver of the 1st respondent's vehicle not responsible for the accident.

(iv) Further denies the nature of injury, period of treatment and medical expenses of the petitioner and alleges that the claim is excessive. The respondent craves leave to file section 170 petition under M.V. Act and also reserves its right to file additional counter and therefore prayed to dismiss the petition.

(v) On perusal of the records it is seen that, notice to 1st respondent returned as deceased. Subsequently MP.No.1/2022 & 2/2022 filed on 19.04.2022 and allowed on same day.

4. On the above pleadings the following points arise for determination:

- (1) Whether the accident has occurred due to rash and negligent driving by the driver of the vehicle viz., Tata Ace van bearing Reg.No. TN 02-AV-5434 which is owned by 1st respondent and insured with 2nd respondent?
- (2) Whether the Petitioner is entitled for any compensation? If yes, what is the quantum of compensation and from which respondent?
- (3) To what relief the petitioner is entitled to?

5. ON THE POINTS:

(i) On the side of the petitioner, PW1 Jaganmohan Roa examined on proof affidavit and Ex.P1 to P9 & Ex.C1 were marked.

(ii) 1st respondent remained exparte. The 2nd respondent filed a petition u/s 170 MV Act in M.P.3/2025 viz. Order dated 01.07.2025, the same was allowed and the 2nd respondent is permitted to contest the case on all grounds that are available to the insured. There is no oral or documentary evidence let in on the side of contesting 2nd

respondent.

(iii) Based on the above materials the Learned Counsel for the petitioner and 2nd respondent submitted their arguments. After hearing both sides and perusing material records and after giving careful consideration to the submission made on either side, the above points are answered as below.

6. Point No.1:

(i) The 2nd respondent denies the manner of accident and the negligence upon the driver of respondent's Tata Ace van and the petitioner also contributed towards the accident so the burden of proof is upon the petitioner to establish the manner of accident and negligence is upon the driver of offending vehicle bearing Reg.No.TN 02-AV-5434. The petitioner examined himself as PW1 on proof affidavit, he reiterated the petition averments and attributing the total negligence upon the driver of the 1st respondent's vehicle that on 14.05.2017 at about 09.30 hrs, while the petitioner was riding his Motorcycle bearing Reg.No.TN 22-AT-2233 from Puzhal to Tambaram bypass road, near United Agencies Company, at that time one TATA ACE Van bearing Reg.No.TN 02-AV-5434 which belongs to the 1st respondent, driven by its driver in a rash and negligent manner and hit against the petitioner and thus caused the accident to the petitioner. In the said road traffic accident the petitioner sustained grievous injury.

(ii) In support of his case PW1 relies upon Ex.P1 AR copy, Ex.P2 FIR, Ex.P3 Charge Sheet & Ex.P4 Discharge summary.

(iii) On the other hand, the 1st respondent died.

(iv) The 2nd respondent/Insurance Company filed counter denies all the petition averments as false. The 2nd respondent further contended that the accident occurred only due to the rash and negligent riding by the petitioner / rider of Motorcycle bearing Reg.No.TN 22-AT-2233. The 1st respondent vehicle driver not responsible for the accident. So the 2nd respondent is not liable to pay compensation to the petitioner.

(v) Though the 2nd respondent denies the negligence & manner of accident

upon the driver of 1st respondent's vehicle but fails to substantiate the same with oral and documentary evidence. Whereas the petitioner through Ex.P1 AR copy, Ex.P2 FIR, Ex.P3 Charge Sheet & Ex.P4 Discharge summary clearly establishes that criminal Prosecution is lodged against the driver of the 1st respondent vehicle for the road traffic accident caused by him. Therefore from the oral evidence of PW1 documentary evidence Ex.P1 & P2 the petitioner proves the negligence upon the driver of the offending vehicle namely TATA ACE bearing Reg.No.TN 02-AV-5434. Hence Point No.1 answered affirmatively.

7. Point No.2 :-

(i) In view of the findings in Point No.1 the petitioner is entitled for just & reasonable compensation for the injuries suffered by him in the accident. There is no dispute that the offending vehicle Tata Ace bearing Reg.No. TN 02-AV-5434 is owned by the 1st respondent and insured with the 2nd respondent at the time of accident. No dispute with respect to the accident and the petitioner got injured. Hence the 2nd respondent statutorily and vicariously liable to pay compensation to the petitioner.

(ii) The factors that are relevant to be considered in order to arrive at just compensation and the quantum of loss of income are the age of the claimant, the nature of employment, income, the nature of disability suffered and the impact of the permanent disability upon the earning capacity of the injured having regard to the nature of the employment.

(iii) The occurrence has taken place on 14.05.2017. As per the medical records in Ex.P4 Discharge summary, the age is given as 52 years as on the date of accident (i.e., 14.05.2017). Ex.P6 Aadhar card, Ex.P7 Pan card of PW1 the date of birth is given as 19.05.1964. Considering the same the age of the petitioner as on the date of accident is fixed as 53 years.

(iv) According to the petitioner he is a Supervisor at Private Company and earning Rs.15,000/- per month, at the time of accident. But to substantiate the same

no oral or documentary evidence produced to prove avocation and income.

(v) Hence following the Judgment reported in 2018(2) TNMAC 168 (National Insurance Co., Ltd., and Ors. Vs. Thangadurai), considering his age, ability and economic condition in the year of 2017. Hence the notional income of the petitioner is fixed as Rs.10,500/- per month.

(vi) Next coming to the nature of injury sustained by the petitioner in the road traffic accident, as per Ex.P1 AR copy, the petitioner was immediately taken to Parvathy Hospital and continued to take treatment as inpatient for 3 days from 14.05.2017 to 16.05.2017 there he was diagnosed with Crush injury to the Right Foot (2nd, 3rd, 4th & 5th toe). He was treated conservatively and got discharged on 16.05.2017.

(vii) Considering the nature of injury, petitioner referred to Regional Medical board as per the directions of the Honourable High Court in the reported decision **Branch Manager, TATA AIG General Insurance Co., Ltd., Coimbatore -Vs- Prabhu & Others 2016 (1) TNMAC 609(DB)** for assessment of disability. The Medical Board opined that the petitioner has suffered 10% Physical Locomotor disability for Scar, Pain & Flexion Deformity. Ex.C1 is the Disability certificate issued by Regional Medical Board and the same is accepted as it is.

(viii) Considering the nature of injury and Disability certificate Ex.C1 issued by the Regional Medical Board, percentage method is adopted.

(ix) Based on the above discussed materials and facts and circumstances of the case, the compensation under both Pecuniary & Non – Pecuniary Heads are awarded as below:

Loss of Income during Medical Treatment:

The petitioner has taken treatment as inpatient from 14.05.2017 to 16.05.2017 i.e., for about 3 days for Crush injury @ Parvathy Hospital, conservative treatment done. Hence considering the available medical records and nature of injury sustained by petitioner, it might not taken less than 2 months for treatment and recovery. As we

have already discussed his notional income is taken as Rs.10,500/- per month. Hence the loss of income during the period of medical treatment and recovery is arrived at **Rs.21,000/-** (Rs.10,500 x 2 months).

Loss due to Partial Permanent Disability:

In the recent judgment of our Honourable High court of madras in **Future Generali India Insurance Company Limited Vs Manivannan and another dated 15.06.2022 Honorable High Court held that**

"This Court by Judgment, dated 9.1.2020 made in C.M.A. No.4870 of 2020 in the case of IFFCO TOKIO General Insurance Co. Ltd. v. Venkatesh and another, fixed a sum of Rs.4,000 per percentage of disability for the accident occurred in the year 2014 & 2015 and a sum of Rs.5,000 per percentage of disability for the accident occurred from the year 2016 onwards, due to raise in cost of living. In the present case, the accident is of the year 2017. In view of the same, a sum of Rs.7,000/- is awarded per percentage of disability, due to raise in cost of living."

Hence keeping in mind on the above said decision of our Honourable High court, since the accident was occurred in the year of 2017, this Tribunal comes to the conclusion that the Petitioner has suffered **partial permanent disability** of 10% and the Petitioner is entitled for just compensation for the injuries sustained by him as Rs.7,000/- per percentage is allowed. Hence the Petitioner is entitled for **Rs.70,000/-** (Rs.7000 x10%) only as just compensation for the injuries sustained by him.

Medical expenses:

The petitioner has taken treatment at Private Hospital but he did not produced any medical bills. So **NIL** is awarded towards medical expenses.

Transport Charges:

The petitioner taken treatment at Parvathy Hospital, Chennai as Inpatient for about 3 days. Hence he would have incurred transportation expenses for going for the treatment. Hence considering those facts transportation charges is arrived at **Rs.2,500/-**.

Extra-nourishment & Damages to clothing and articles:

Considering the nature of accident and the injuries suffered by the petitioner and the period of treatment it will be just to grant a sum of **Rs.20,000/-** towards extra nourishment and **Rs.1,000/-** towards damages to clothing and articles.

Compensation for Pain and Sufferings:

The petitioner has suffered Crush injury of 2nd to 5th Toe Left leg and he was treated as inpatient for 3 days at Parvathy Hospital, Chennai and taken conservative treatment. Hence considering the nature of injury, period of treatment & disablement, trauma & pain undergone by the petitioner it is just and proper to award **Rs.40,000/-** towards pain and sufferings.

Attender Charges:

The petitioner admitted at Parvathy Hospital, Chennai as an in-patient for about 3 days and taken conservative treatment. The mobility of the petitioner is restrained by the injury and he depends on an attender to do his day to day avocations. Hence considering the nature of injuries and period of recovery a sum of **Rs.2,500/-** is awarded towards attender charges.

Loss of amenities:

The petitioner definitely would not act as before the accident due to the Crush Injury suffered by him. Hence considering this facts, it would be just and proper to grant a sum of **Rs.60,000/-** towards loss of amenities.

In view of the foregoing discussion this Tribunal fixed the just compensation as follows:

CALCULATION:

1. Loss of income	:	Rs.	21,000/-
2. Disability	:	Rs.	70,000/-
3. Medical Expenses	:	NIL	
4. Transportation	:	Rs.	2,500/-
5. Extra Nourishment	:	Rs.	20,000/-

6. Damages to clothing and articles	:	Rs.	1,000/-

8. Attender Charges	:	Rs.	2,500/-
9. Loss of amenities	:	Rs.	60,000/-
Total Compensation is fixed at	:	Rs.	<u>2,17,000/-</u>

In the light of the above assessment, the petitioner/Claimant is entitled for a just compensation of the above said amount of **Rs.2,17,000/-** i.e., **two lakhs seventeen thousand** and Point No.2 is answered accordingly.
