..... Accused

This case came up before me on 10.07.2026 at the stage of summons to accused, in the presence of Learned Advocate M/s. M. GGS Law Associates for the Complainant and upon the perusal of the documents and having stood over till this day for consideration, this Court delivered the following :

ORDER

Complainant absent. Counsel present. Summon sent to accused returned as Deceased today complainant counsel made endorsement that further orders may be passed since postal returned cover indicates accused is Deceased. And did not object to said

endorsement And it is the complainant to inform statues of accused. But they it self endorsed further orders can be passed. Hence when summons sent to accused through RPAD had been returned as Deceased. Which was not objected by other side, keeping the case pending will not solve any purpose. Accordingly charge against accused is abated. And this case is disposed off.
