ORDER

Disposal Type: Closed

Defacto complainant present. Id proof verified. Identified by the concerned police. Statement of defacto complainant recorded. Enquiry heard. Objections not raised to close the FIR. Satisfied. The records have been pursued. The final report states that there is no suspicious material available for the death. This court considers it futile to hold the FIR pending before it. Hence, this court is inclined to accept the final report. Therefore, the case is closed, with liberty granted for the prosecution to conduct further investigation if new material or a report be received in future. Accordingly, the FIR is closed.
