in

O.S.No. 62/2020

Order date. 02.12.2022

Order pronounced.

Heard the counsel for the petitioner. Perused the records.

2. This is an execution petition has been filed by the petitioner/decreed holder seeking to execute the money decree passed on 07.07.2021 by way of attachment and sale of immovable property the Judgment Debtor.

3. Admittedly the petitioner/Decreed Holder filed the main suit for recovery of money from the respondent/judgment debtor and the said suit was decreed on 07.07.2021 directing the Judgment Debtor to pay the decree amount with cost. But the Judgment Debtor has not come forward to pay the award amount.

4. Now the petitioner has filed this Execution Petition to execute the money decree by way of attachment and sale of immovable property.

5. Though notice was served on the respondent and she appeared through her counsel, she has not come forward to state her objections as to why the decree should not be executed. Hence there is no objections on the side of the respondent/judgment debtor as to why the execution petition should not be allowed. Therefore there is absolutely no reason as to why the decree should not be executed. Hence this court is of the view of the execution petition is liable to be allowed.

In the result this execution petition is allowed with costs. Attach by 05.01.2023
