

I. A. No.1/2024
In
O.S. No.11 / 2021
Dated : 05.06.2025

Order:

Heard, petitioners side. Perused records. This petition has been filed U/s. 151 of CPC for condonation of delay in filing the objections to the Advocate Commissioner Report filed in I.A. No.104/2022. The Learned counsel for the petitioner submitted that the 3rd petitioner due to his work could not able to file his objections within reasonable time limit.

The Learned counsel appeared for the respondents / defendants filed his counter and argued that the petitioner did not file his objections within the time framed by this Hon'ble Court. Thus this petition is liable to be dismissed.

Admittedly, the petitioners filed this petition along with the objections to the commissioner report in I.A. No.104/2022 after delay of one and half years. However, this court find that no loss would be caused to the respondents, if this petition is allowed. Further allowing this petition would aid this court to decide the main suit. Thus as the objections were filed with long delay this court is inclined to allow this petition on cost of Rs.500/-. Cost shall be paid to the respondent on or before next hearing date in main suit.
