**Order No.05
21.07.2026**

Both parties are present by filing hazira.

Today is fixed for order.

The record is taken up for passing order.

Perused the petition under section 13B of Hindu Marriage Act, 1955 and other materials on record and also taken into account the submission made by Ld. Advocates of the parties. It appears that the instant Mat Suit has been filed by petitioner No 1 Suchitra Tapadar and petitioner No 2 Tanmay Tapadar under section 13B of Hindu Marriage Act, 1955 praying for dissolution of their marriage, which was solemnized on **20.02.2015**, by way of a decree on mutual consent. On **04.07.2025** the instant Mat Suit was filed by the parties.

The fact of the case as narrated in the joint application for mutual divorce in a nutshell is that the parties to the proceeding got married on **20.02.2015** in the paternal house of the petitioner no.1 at village Saspur Ramkrishnapally under PS Kalna which is within the jurisdiction of this court. Since after marriage, the petitioner No.1 and petitioner No 2 resided as husband and wife in the house of petitioner no.2. Their marriage was duly consummated and one daughter namely Sunita Tapadar was born from their wedlock who is now under the custody of the petitioner no.1. Subsequently difference of taste, temperament and culture cropped up between the parties and they could not adjust between themselves and with the efflux of time the differences became so aggravated that the petitioners began to feel that it would be next to impossible for them to live together as husband and wife and ultimately they started to live separately since 20.04.2023. Since the day of their separation several attempts were made to resolve the dispute and discord between the parties but no fruitful result had been yielded. To avoid further litigation between the parties both parties have decided to get their marriage dissolved by filing the joint application.

Petitioner no.1 and petitioner no.2 were examined as P.W.1 and PW2 respectively. On behalf of petitioner no.1 her Aadhar card and Birth Certificates of their daughter namely, Sunita Tapadar were marked as Exhibit – 1 & 2 respectively.

On behalf of petitioner no.-2, his Aadhar Card and one coloured photograph were marked as Exhibit –3 & 4 respectively.

Present case was filed on 04.07.2025. Record shows that six months have already been elapsed from the date of filing of the application under section 13B of Hindu Marriage Act, 1955 and period of 18 months yet to go. Moreover the parties have been living separately for a period of more than one year from the date of filing of the case and they have not been able to live together for which they have mutually agreed to dissolve their marriage. It is established through their respective unchallenged testimony on oath that their consent is

free, voluntary, not obtained by exercising undue influence, fraud and coercion. As such prayer of the petitioners need to be allowed.
