

TRF 6066-6297 of 2022

Present: Shri Deepak Phor, APP for the State.
None for applicant / accused.

Summons and warrants issued against the accused many times on the address as given for securing the presence of accused, but his presence could not be secured due to one reason or the other. In my opinion, further issuance of process shall waste precious time of the court and it shall also put unnecessary burden on the State Exchequer. Further, being on-line challan, no document is attached. Considering this fact, proceedings are ordered to be stopped under section 258 Cr.P.C. Challan be consigned to the record room after due compliance.
