The petition came up for final hearing before me on 10.06.2026 in the presence of Thiru.B.Ananthakumar, B.A.,B.L., learned Counsel for the Petitioner/Accused and Assistant Public Prosecutor for the Respondent/Complainant, I made the following.

ORDER

1. This petition has been filed by the petitioner u/s.480 BNSS Act 2023 for seeking bail. The petitioner was alleged to have been committed an offence u/s.303(2) of BNS Act 2023.
2. The learned Counsel for the petitioner submitted that the petitioner is falsely implicated in this case and prayed for bail and investigations also completed on the side of prosecution. The petitioner also undertakes to abide by any condition this court may impose in the event of grant of bail.
3. The prosecution had filed its reply raising serious objections to the granting of the bail to the petitioner/Accused as the petitioner have previous cases in the same nature, if the accused is released on bail, the crime involvement may increase. Hence, serious objections were raised.

4. All the documents and records perused. Upon perusal of records this court finds that the accused has been produced and remanded to Judicial custody on 25.05.2026. The petitioner is having 4 previous cases for the offences similar in nature showing antecedents. This court is of the considered view that considering the nature of the offence, the pendency of a similar cases against this accused showing his antecedents, the allegations against accused is grave in nature, period of detention and the serious objections raised by the prosecution regarding commission of similar offences, if he let out on bail, he will tamper the evidence and abscond appears to be reasonable. Hence, in the interest of justice, this court is not inclined to release the petitioner on bail.

5. In this result, the petition is dismissed.
