... Petitioner/Accused

Vs.

The State rep. by
The Inspector of Police,
Odaipatti Police Station,
(Cr.No.264/2026)

... Respondent / Complainant

The petition coming on this day for final hearing before me in the presence of Thiru. S. V. Ananthasayanan, Advocate for the petitioner and on perusal of the written reply filed by the respondent police and the records available on file, this court delivers the following ...

ORDER

1. The petitioner is apprehending arrest for the offences charged u/s.15(3), 25 of Indian Medical Council Act and 318(4) BNS and had filed this petition u/s.482 of B.N.S.S., seeking for his release on anticipatory bail in the event of his arrest.

2. This is an application for anticipatory bail in respect of a case registered against the petitioner / accused u/s.15(3), 25 of Indian Medical Council Act and 318(4) BNS.

3. The learned counsel for the accused submits that the accused is an innocent person and he has not committed any offence. If he is enlarged on anticipatory bail, he would furnish sufficient sureties.

4. Today, the learned Public Prosecutor is absent. However, the respondent police has given a reply stating that the investigation is not yet completed.

5. This court has considered the submissions made by the learned counsel for the petitioner and perused the written reply filed by the respondent police. It is noticed that the occurrence has taken place on 16.06.2026 and the case has been registered on 25.06.2026. The main allegation against the present accused is that he was practicing as a doctor without having a proper certificate and he has also treated the patients. The prosecution has strongly objected to release the accused on anticipatory bail since the conduct of the accused goes to show that he has acted against the interest of the general public, hence the petition may be dismissed. A cursory perusal of the case records would go to show that there are strong prima facie materials against the accused and the investigation is in a nascent stage. Though the learned counsel for the accused submits medical documents to show that the accused is a senior citizen having certain medical ailments, that is not a ground to grant anticipatory bail. The investigation is in the beginning stage and if the accused is released on anticipatory bail, the prosecution apprehends that he may flee from justice. Considering the factual matrix of this case, this court is not inclined to consider the anticipatory bail application of the petitioner at this stage. Accordingly, the petition is dismissed.
