There is no progress for past 6 month.Having regard to the facts and circumstances of the case this court is of the considered view that keeping the case pending anymore would only be a futile exercise and ultimately no purpose would be severed. At this juncture, it is very much relevant to refer a decision of the Honble High court in Kalia perumal @ Perumal Vs.Ramesh and Ors CDJ 2009 MHC 3453 Wherein it has been held that Sec. 258 of the code could be applied to warrant case like the summons case. By adhering the above principle and taking into consideration of the above fact and circumstances of the case, this court decides to invoke Sec. 258 of Code and accordingly all the proceedings are ordered to be dropped. In the result, all further proceedings in the case are dropped under sec.258 of Crpc. Accused is hereby discharged.
