

Com.O.S.7041/2018

Both parties absent. No representation.

Considering that this is a transferred suit, transferred to this court on 07.01.2021 both parties and their counsels remained absent. This court issued court notice to defendants and also plaintiff.

Plaintiff's court notice returned unserved as premises locked and defendant court notice has served on them.

In spite of the same none of the parties and their counsels present. Sufficient opportunity given. Matter pending since 2018.

Suit accordingly dismissed for non prosecution.
