ORDERS ON I.A. NO. III

The learned advocate for the plaintiff has contended that the urgent intervention of the Court is very much necessary in this suit and if this Court issues notices on interim application to the caveator, then the very purpose of the suit will be diminished. Therefore, he prayed to issue exparte temporary injunction against the defendants.

I have perused the documents on records along with the Caveat No. 13/2023.

On perusal of caveat, it appears that the defendants of this suit are none other the caveators. Therefore, section 148-A of CPC mandates the Civil Court to issue notice to the caveator before passing any exparte order. Therefore in compliance of section 148- A of CPC, I proceed to pass the following order,

ORDER

Issue suit summons and emergent notices on I.A.No. III to the defendants.

Call on 15/03/2023.
