Cr. No.357/2026

Petition u/s.483 BNSS is filed to grant bail to the petitioner.

This Petition has come up for final hearing before this court today, in the presence of Thiru.J.Antony Selva Thilak, Advocate for the petitioner and Inspector of Police, Tiruchendur police station for the Respondent.

Heard both side.

O R D E R

The petitioner is alleged to have committed offences on 07.05.2026 u/s.296(b), 132, 121(1), 109, 351(3) of BNS and Section 25(1A), 27(2) of Arms Act. The petitioner was arrested and remanded to judicial custody on 12.06.2026.

The case of the prosecution is that the petitioner has abused the de-facto complainant who is a public servant with filthy language, prevented from discharging his duty by using criminal force, attempted to murder him and also criminally intimidated with weapon.

The learned counsel for the petitioner has submitted that, the petitioner is an innocent and not at all committed any offence as alleged by the prosecution and that the petitioner is in judicial custody from 12.06.2026 for the past 25 days and that no incriminating materials or weapons were recovered from his conscious possession and Arms Act has been added mechanically without any prima facie basis. The petitioner is the sole winner of his family and the major part of investigation has been completed. In fact, petitioner's brother was involved in a case and when the police officials came in search of petitioner's brother, during enquiry with this petitioner, they have shot him, due to which he has sustained grievous injury and he has to take treatment for his wound and the petitioner's wife has lodged a complaint before the Human Rights Commission and copy of complaint is produced to substantiate the same and that the petitioner is ready and willing to furnish sufficient sureties for his release on bail and that therefore, the petitioner may be enlarged on bail.

The Inspector of Police, Tiruchendur police station has appeared before this court and stated that this petitioner is having 26 previous cases.

Even though the learned counsel for the petitioner is seeking for medical treatment for the petitioner, he has not produced any document to prove his illness. Hence, considering the nature and gravity of the offence and the criminal antecedents of the petitioner and the fact that, if the petitioner is enlarged on bail, he will indulge in similar criminal offences, which would affect the society at large, this court is not inclined to grant bail to the petitioner.

In the result, this petition is hereby dismissed.

Pronounced by me in the Open Court this the 06th day of July 2026.

Principal Sessions Judge,
Thoothukudi.
