...Respondent/Respondent/Defendant.

This petition coming before me for final hearing on 03.09.2022 in the presence of Tr.G.Dineshkumar, Advocate for the petitioner and Tr.S.Umapathy, Advocate for the respondent and upon hearing the arguments of both side and perusing the records, this Court delivered the following,

ORDER

This petition was filed by the petitioner in I.A.No.1/2021 in O.S.No.89/2018. This Court in I.A.No.1/2021 has ordered for signature comparison by Forensic Expert. The petitioner has filed this petition to amend the order in I.A.No.1/2021 to the effect that apart from comparing from signature, the thumb impression found in the said promissory note also to be compared by the expert. He has stated in the petition that it is only a omission while passing the order. Because he has prayed not only for comparing of signature, but also comparison of thumb impression. While perusing the affidavit and counter in I.A.No.2/2022, this Court has verified thumb impression stated to be found in the promissory note. On perusal of promissory note, thumb impression is not clear and the same

cannot be compared. Thumb impression is not properly obtained and impression is not clear. Hence, the same cannot be called for comparison. Hence, this petition has to be dismissed.

In the result, this petition is dismissed. No costs.

Dictated to the Steno-Typist, transcribed and typed by him, then corrected and pronounced by me in open Court on this the 3rd day of September 2022.
