ORDER

Disposal Type: Allowed

The complainant was called absent and has no representation. Mr. Raja (HC 1441) from Watrap PS is present. Despite providing sufficient opportunities, the complainant was not present and did not file her objection. It is adjudicated that the complainant shall file her objection without fail on or before the next hearing. Non filing of the objection will be treated as no objection. Despite the directions, the complainant did not appear and filed her objections. Despite the complainant being provided with sufficient opportunities for filing an objection and the complainants failure in filing an objection, this court treated that the complainant has no objection for the final report filed by the IO. Consequently, this RCS was allowed and the FIR was closed.
