File is put up in National Lok Adalat. Learned counsel of prosecution filed an application today stating therein that Final Report has been adduced in the instant case after due investigation. He does not want to do any further proceeding in the matter. Accordingly, he prayed to accept the Final Report.

Heard and peruse the file.

From the perusal of file it is evident that case was registered against accused Irfan Khan under Section 138 (1) (b) of the Indian Electricity Act in the concerned police station. During the course of investigation accused has deposited the due compounding fees as well as assessed revenue. Accordingly, Final Report has been filed. In view of the aforesaid facts and circumstances of the case, I find just ground to accept Final Report in the instant case.

**Order**

Final Report is hereby accepted. File is to be consigned in accordance with rule.
