

ORDER BELOW EXHIBIT - 01

1. Perused record. Heard Ld. A.P.P.
2. The matter is taken before this court today in Special Drive for petty offences. The offences mentioned are triable as summons case. Accused absent. The record shows that allegations are vague and the basic requirements and evidence to prove the charge are missing. Taking cognizance and consequential proceedings appears to be nothing but an empty formality as material to constitute prima facie case is missing. After appearance if accused accepts final report no conviction is warranted. There is no point in taking cognizance of the matter and securing the presence of the accused in these background facts and circumstances and proceeding further with trial. The court is already heavily burdened and taking cognizance, securing presence of the accused and proceeding with trial will also result in wasting precious time of the court.
3. Considering all these factual and legal aspects of the matter, there is no point in proceeding further with it. Therefore, following order :

ORDER

- A. Cognizance not taken. Final report is rejected.
- B. Cash security, if any, deposited is forfeited to the Government, if not claimed within one year from today.
